5<sup>th</sup> January 2021

Dear Parent/Carer

### **School closure**

I am writing to provide further details with regards to our school closure, and in particular the provision for home learning. (I will be writing a separate letter in the next few days for parents who are key workers or who have vulnerable children.)

I will do my best to keep this letter focussed on supporting the immediate needs you will all have as you return to home learning provision. Most significantly, you need to be fully aware of our remote learning timetable. I have attached the links below and these will also be posted on the website for your information.

[Year 5 Remote Learning Timetable](#)

[Year 6 Remote Learning Timetable](#)

[Year 7 Remote Learning Timetable](#)

[Year 8 Remote Learning Timetable](#)

In essence, for our Year 7 and 8 pupils the provision is very much "business as usual". Please ensure your child continues to engage with the lessons and work that is already established.

For year 5 and 6 pupils I have enclosed an overview of our remote learning provision and a quick guide to successful remote learning.

[Remote Learning Provision](#)

It is so important that all children fully engage with our timetabled provision and complete all work set. We are likely to be in this position until February at the earliest and if we can establish effective routines now this will help us all to succeed as the situation progresses.
