Dear Parents/Carers

### **Relationship and Puberty Education**

Year 5 pupils will be receiving Relationship and Puberty Education in the Summer Term. It will cover relationships, personal hygiene, puberty, menstruation, reproduction, the growth of a foetus and development of a baby.

There is a strong emphasis in the course on relationships, respect for each other and the function of different relationships and family life.

Parents do have the right to withdraw their child, but I would ask you to contact school if you have any concerns.

Yours sincerely
