

Ambition, Altruism, Achievement

Incorporating: Codsall Community High School, Bilbrook CE Middle School & Perton Middle School
Executive Headteacher: Mr A Harding BA (Hons) NPOH

September 2020

Dear Parents / Carers

Codsall High School Virtual Open Events

At this time of year we would normally be inviting you to one of our Open Evening events but, as we all know, this year is not a normal year.

Schools are not allowed to have large gatherings under the current restrictions so we have moved to a series of online, virtual open events starting on **Thursday 24th September at 7pm.**

On this occasion I will be outlining the vision, values and successes of Codsall High School. This will soon be followed by further online events where you will be able to see interactive presentations from key staff and hear about the exciting curriculum offer we have. Parents will also be able to submit questions to myself or the leadership team via our website.

Our GCSE, A Level and Vocational results are outstanding placing us amongst the top performing schools in the county. However, school is about more than just exam results. It is about the experiences our young people have and the person they become over their time here. We work incredibly hard to produce resilient, positive and well rounded members of society.

Our partner Middle Schools offer a unique experience, in very different settings. Bilbrook Church of England Middle School and Perton Middle School are federated with the High school, sharing staff and resources, and Codsall Middle School works in close collaboration with the High School. All three schools prepare the students well, enabling them to achieve their potential at GCSE and beyond at Codsall High School.

We currently have a waiting list for our current Year 9 and Year 10 and so I would urge parents to ensure that their applications are completed in advance of the **deadline of 31st October 2020.** Applications can be completed online at <https://www.staffordshire.gov.uk/Education/Admissions-secondary/Apply/Overview.aspx>

I do hope you find this new way of doing things informative and engaging. We hope that at some point in the not too distant future we can start to welcome prospective parents and students to our school again so that you can see what an excellent school looks like when it's in operation.

Yours faithfully

Mr A Harding
Executive Headteacher

Codsall Community High School
